Addressing Poverty - Board members mentioned that they are making a plan for how the school board is going to help support students from low socio-economic backgrounds.

District received grants from the Nez Perce Tribe to support curriculum during 5th grade camp.

**Public Meetings of Interest to League:** *Were there any public meetings announced that you think League members may be interested in attending and/or becoming involved with that relate to League positions?*

**Process & Protocol:** *(Observations about participants and procedures of the meeting) e.g., Did the members appear to have done their "homework"? Were members courteous to each other and the public? Was access to materials for certain agenda items available to you?*

Seems like they followed all processes. Discussion was polite. Not much discussion by the board.

**Your additional comments/opinions:**

Really short meeting, a lot of it was the superintendent reporting on the first day of school.

They adopted a communication policy that seems to be in response to concerns expressed

by the public about lack of communication.

### **Reminders** 😊
