## 1920 — 2020 & Beyond:

*"We believe in the power of women to create a more perfect democracy."*

That's been our vision since 1920, when the League of Women Voters was founded by leaders of the women's suffrage movement. For 100 years, we have been a nonpartisan, activist, grassroots organization that believes voters should play a critical role in democracy. <https://www.lwv.org/about-us/history>

**League of Women Voters of Pullman** was organized in February 1950 and became a chartered local league in 1952.
