

Vote in the Whitman County WA Midterm 2026

This Document Includes Some New Information in 2026

1. Important Procedures, Dates and Places

- a. The County will mail the ballots on October 9, 2026. You should receive your ballot before **October 19**. If you have not received a ballot by **October 19**, your first step is to check your status on VoteWA.gov. On VOTEWA.gov follow the directions (#3 below) to print a replacement ballot. [Do not cancel your mailed ballot and print a replacement *before October 19*.]
- b. **October 26, 2026** is the last date to register to vote on VoteWA.gov. Also, mailed voter registrations must be received by this date.
- c. **November 3** is the last date to (1) drop your ballot into an official drop box prior to 8 PM -OR- (2) register to vote in person and/or vote in person.
- d. There are two locations to vote in person: (1) the Whitman County Election Office is at 304 N. Main Street, Colfax WA 99111/509-397-5284. Accessible voting equipment is available October 9 - November 3, 2026, at the Whitman County Elections Office in Colfax.
(2) the HUB at the Senior Ballroom at the WSU CUB offers voting (or drop boxes) on November 3 only 8 AM - 8 PM.

2. If you received your ballot in the mail, fill it out, sign the oath on the back of the envelope, and add your phone number. Your phone number is important! If there is an issue, such as a missing signature, the elections office in Colfax should contact you to “cure” your ballot.

3. If you did not receive a ballot, print a replacement ballot via VoteWA.gov. Follow the instructions on that website to fill in the ballot. You must also print and affix a copy of the oath to an envelope, sign the oath, and write your phone number on the envelope.

4. Ballots should be dropped into the nearest official ballot box or turned in to either the County Elections office in Colfax or the HUB at the CUB at WSU (on November 3 only). Ballot Box locations are at <https://www.whitmancounty.gov/169/Election-Information>. These boxes will be maintained from October 9 through November 3.

Only if you cannot access a ballot box or the Elections Office, mail it. If you do mail it (not recommended), it is best to mail from a post office to obtain a manual postmark and a certificate of receipt. If you are unable to obtain a manual postmark, make every effort to put your ballot in the mail by October 20 to provide two weeks for mail service.

5. VoteWA.gov can also be used to check/update your registration. Track your ballot at VoteWA.gov to make sure it was received and counted.

6. New in 2026: The Whitman County Elections website will offer the Voter Pamphlet online. That website is <https://www.whitmancounty.gov/169/Election-Information>
